ATTENDANCE & COMPLETION

Alfredo J. Sorazuis

The above listed individual has successfully completed hours of Continuing Education Credits (CECs)

FSRT

for attending the above listed CEC approved course

IICRC Certified Technicians are encouraged to continue their education and improve their skill set in the cleaning, inspection, and restoration industry. IICRC certification renewals require twelve (12) hours of CECs every four (4) years for technicians and twelve (12) hours of CECs every two years for Master/Inspector designation. IICRC CECs are earned at a rate of one (1) hour for each hour of classroom/on-line instruction, with a maximum of seven (7) hours in a day, and two (2) hours maximum for attendance at an approved tradeshow.
